## Restorative Dentistry GUARANTEE

- Fillings installed in our office are guaranteed for two years and will be replaced at no charge.
- Crowns and bridges are guaranteed for five years and will be replaced at no charge. After five years (and up to ten years), crowns and bridges will be replaced at half price.
- Implants are guaranteed for as long as we are in practice. Implants will be replaced at no charge.

These guarantees will remain in effect as long as you, the patient, maintain your scheduled recall appointments in our office. Should you fail to keep your scheduled recall appointments or seek dental care at another office, this guarantee will be deemed null and void.

**Scheduled Recall Appointment:** The patient is required to have at least one cleaning and exam every six months in our office. Some patients may require more frequent scheduled hygiene visits based on individual need.
